AGENDA News

Smooth seduction

Turn your bedroom into a luxe boudoir with the elegant, clean lines of this Adam bed, designed by Gino Carollo for Cattelan Italia. It comes with either Canaletto walnut or burnt oak feet and a sumptuous, padded headboard upholstered in soft leather or faux leather. Just the thing to offer gentle support while you're perusing the Sunday papers. *From £4,339 (chaplins.co.uk)*

DRESS TO IMPRESS

Summer salads should taste that little bit better when tossed with Ferm Living's chic brass salad servers, with this on-trend matt finish. They'll add a refined edge to your patio dining table – and are dishwasher safe, so great for everyday use too. *£42 (hollys-house.com)*

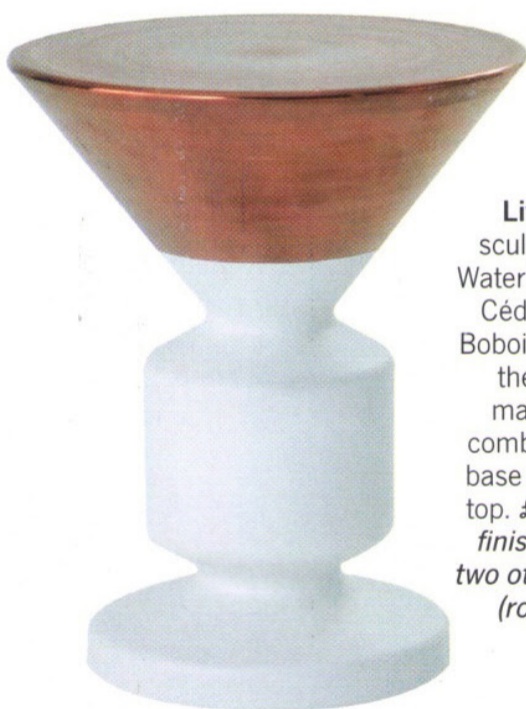

TABLE TALK

Livingetc loves the sculptural quality of the Waterline pedestal table by Cédric Ragot for Roche Bobois. An elegant take on the current trend for material mash-ups, it combines a slick ceramic base with a metallic glaze top. *£910 for this copper finish. Also available in two other metallic finishes (roche-bobois.com)*

LOVES

CHOCKS AWAY!

Keen cyclists can never have too much kit. For the two-wheeled tyrant with everything, this nifty bike add-on should, er, fly. Attach the plane to the handlebars and the faster you pedal, the faster the model's propellers will spin. *Wheee! £6 (hedgehogshop.co.uk)*

MAKE A SPLASH

There's no end of uses for Aino-Maija Metsola's versatile Luovi linen fabric for Marimekko. Make it a centrepiece for the table, hang as a window dressing or even as a wall covering. Plus, it's available as a colourful range of ready-made cushion covers. *£59 each (marimekko.com)*

Crystal amaze

Jo Sampson's new range of colourful Rebel barware for Waterford is shaking up perceptions of the heritage crystal brand. Most striking is this geometric-topped decanter in Plum. *£120 (waterford.co.uk)*
